

EAVA Certified Designation Placement Guidelines

The Extron A/V Associate Certification Program provides:

- Launching point for other Extron programs, schools, and certifications
- Increased familiarity with A/V technologies
- Understanding of Extron products and applications
- Continuing education credits toward industry trade certifications
- Official recognition as an Extron Certified A/V Associate

As an Extron Certified A/V Associate, you may place the full title of your credential on your company business card, resumé, and related stationery to add professional credibility to your status in the A/V industry.

The EAVA Certified designation should appear as the following:

Guidelines:

- Use exactly as shown above
- Suggested font is Times New Roman
- Font size should be consistent with other elements on the business card, resumé, or related stationery

EAVA Certified is an individual certification and not a company certification; therefore, this designation should not appear on a company Web site or brochure in any way that suggests the entire company carries that certification.
